#### **EXAM REGULATIONS**

(Version 8.7.2006 by the European Technical Committee)

- 1. Members of the exam comittee should be duly registered members of the ESC\* (except for Senior Instructor / 3-dan exams).
- 2. To sit as an examiner for a certain discipline (Karate, Bojutsu, Shintaido), the examiner must be qualified at the proper level in that discipline.
- 3. It is recommended that the exam committee ask the opinion of the examinee's instructor (especially in the case of Assistant exams). In case instructor cannot be present, he/she might write a recommandation letter.
- 4. Non-technical topics (previous contribution to the group, gasshuku organizing etc.) should be reported in writing. The document should be presented before challenging the corresponding exam.
- 5. The sequence of exams should always be Karate > Bojutsu > Shintaido.
- 6. One cannot act as goreisha for his/her own exam.

### **VENUES, INTERVALS & QUALIFICATIONS**

| Levels                       | Exam Venue       | Interval between exams                                      | Examiner Qualification                                                                    |
